Silver Data Platform

Our Team

We are a team of more than thirty consultants situated in Vietnam and are supported by over hundreds consultants throughout the NaviWorld Group. NaviWorld Vietnam's strength lies in a combination of providing the latest Microsoft technology and the expertise of knowledgeable, experienced staff.

Our team consists of members who have professional consultancy experience working for leading global consulting Firms in addition to key skills, knowledge and expertise in local requirements enabling them to successfully assist our Clients.

Our consultants are trained to listen - addressing clients' unique needs and issues to propose the best suitable solution for them rather than imposing a standard solution. We are not only implement the Information Technology but we also bring change management and business process re-engineering to transform our client business.

Our Services

We focus on performance improvement and consider the strategic, organizational, process and technological aspects of change, an approach that helps organization consider not just technology-only goals but business-aided-by-technology results. NaviWorld has the depth and breadth of experience to address any organizational, policy, technological or financial management issues that may arise within the project.

Our business solutions consulting services cover the entire range of business needs, including:

- Information Technology Strategy
- Systems Integrator and Project Management
- ERP/CRM/HRM Applications Implementation
- Customized Systems Delivery
- Technology Infrastructure Design and Deployment

Business Applications and Solution Specialists with Deep Expertise

Microsoft Dynamics

Microsoft Dynamics offers a line of simple-to-learn and easy-to-use enterprise resource planning (ERP) and customer relationship management (CRM) solutions that connect with your existing technology and scale as you grow to deliver long-term value. These solutions work the way your people and organization work, enabling everyone to make more informed decisions and adapt to new opportunities and rapid change. The following products automate and streamline financial, customer relationship, and supply chain management to help you drive business success:

- Microsoft Dynamics ERP (AX, NAV, SL)
- Microsoft Dynamics CRM

Human Resource and Payroll Solution

NaviWorld delivers proven human capital management (HRM) processes and best-of-breed software solutions that helped companies attract and retain the right talents, motivate employees and increase job satisfaction, and develop the strategic competencies that boost productivity and work force efficiencies.

These solutions are the most comprehensive human resources management software available in Vietnam today. Our HRM solutions are fully compliance with local regulation, very flexible to adapt with specific requirements of different organizations and it is able to integrate with various Time Attendance systems. We currently supported following HRM solution:

- Cadena HRM Series
- Silk People Suite
- Microsoft Dynamics HRM

NaviWorld Vietnam Localization Solution

We offers the latest in ERP/HRM applications and enhanced the solution to not only meet crucial Vietnamese regulation but continue to provide the user friendly and efficient functionality of ERP/HRM solution. We are the first and only Vietnam partner that successful developed and registered Vietnam Accounting System localization Pack for Microsoft Dynamics ERP with Microsoft

We also understand that most businesses in Vietnam operate primarily in Vietnamese language and to optimize your business, we have tailored all our solutions to operate seamlessly in Vietnamese language.

Vertical solution

NaviWorld offerings include end-to-end industry solutions and a wide range of add-on products designed to streamline processes and reduce costs associated with Enterprise Resource Planning (ERP), Customer Relationship Management (CRM) and Supply chain management (SCM).

We are work closely with global leading Microsoft partners and ISVs to bring together best-of-breed capabilities that unleash the power of Microsoft Dynamics solutions:

- LS Retail for NAV (Retail)
 - PrintVis (Printing and Packaging)
 - ABS (Automotive/Dealership)
 - Pebblestone Fashion (Garment/ Apparel)
- and many more...
